COURSEWORK

POSTGRADUATE
Data Structure and Algorithms
Operating Systems
Software Project Management
Computer Networks[Link]
Big Data Computing [Link]
Object Oriented Programming [Link]
Relational Database Management
Systems
Web Application Development [Link]

UNDERGRADUATE
Big Data Analytics
Operating System Concepts
Principles of Web Programming
Network and Fundamentals
Essentials of Software Engineering

SKILLS

TECHNOLOGIES
Programming Languages:
Javascript • Java • HTML
•CSS
Libraries/Frameworks:
TailwindCSS • Spring • Spring Boot • Rest
APIs • Hibernate
Databases:
MySQL • PSQL • Appwrite

INTERESTS

Technical
•Fullstack • Internet of Things
Non-Technical
Content Creation • Video Editing

INTERNSHIP

KODNEST TECHNOLOGIES | Full stack Developer Intern
Jun 2023 – Feb 2024 | Bangalore, India
- Focused on **Java & Python full stack development**.
- Explored competitive programming, **web development**, **SQL**, and both manual & automation testing
- Explored competitive programming, **web development**, **SQL**, and both manual & automation testing
- Emphasized versatility and prepared for the dynamic tech landscape

WALMART | Virtual Software Engineering Intern
Feb 2024 – Mar 2024 | Remote

- Advanced Data Structures: **Developed** a novel version of a heap data structure in Java for the shipping department.
- Software Architecture: **Designed** a UML class diagram for a **data processor**, considering different operating modes and **database connections**.
- Relational Database Design: Created an entity-relationship diagram for a new **database**, fulfilling all **requirements** for the pet department.
- Data Munging: **Developed** a Python script to populate the **database**.

PROJECTS

HEALTH-ALIGN: HEALTHCARE SYSTEM | Link
- Developed a system to streamline patient data and appointments
- Administrative tools for scheduling, confirming, and cancelling appointments
- SMS notifications for updates
- Built with Next.js for efficiency.

TUNE-HUB: MUSIC STREAMING PLATFORM | Link

- Seamless and enjoyable music listening experience
- Listen to favorite songs
- Create new tracks
- Add songs to personal playlists
- Comprehensive music streaming functionality
